

AMENDED RESOLUTION.—The 7th resolution of the series adopted at Rutland, was amended, but did not come into the possession of the Secretaries as amended.—Therefore the printed report contains the original resolution. As amended, it reads as follows:

7. Resolved, That we hereby invite the adoption of all free-men of Vermont, who agree with us in the principles and cause herein set forth, most cordially adhering to them our co-operation in the cause of freedom, and offering our confidence to those who consider us.

—The Journal of the House of Representatives is a credit to the publisher, and would be to the State, were it not for those unscrupulous balloting.”—*Sounds Her-*

—“Those interminable ballottings” were caused by the calling of the yeas and nays. This manner, the roll was called many times, each call costing the State little more than fifty dollars. The Whigs made up twenty-seven times, and the other party sixty-four times. Mr. Pierson, leader of the Democracy, called for the yeas and nays sixteen times, and E. D. Barber voted for the same nine times. Who then responsible for this waste of money, time and paper?

D. Barber to the State of Vermont.

De.

To call the Roll 9 times \$450.

Pierson to the State of Vermont.

De.

To call the Roll 16 times \$800.

NO HONOR AMONG ROGUES.

WASHINGTON, June 13.

An astounding fraud has just been discovered by Messrs. Campbell, of Ohio, Mace, and others, in the Nebraska bill. It seems that Mr. Richardson stated the House that his substitute was the Senate bill, empty, without the Clayton proviso, when, in fact, he had inserted a clause providing that no persons other than citizens of the United States should sit office or vote until they had sworn to support the principles of this bill. It also provided for continuing in force all laws applicable. This includes the act of 1854, excluding from said territories all negroes, on penalty of a thousand dollars, without a passport from the War Department, limiting the time he shall remain.

Mr. Mace will introduce a bill amending and explaining the Nebraska act; and, once, Benton, Campbell, and others, will take the floor in denunciation of the frauds imposed on the country.

CONCORD, N. H., June 13.

NEW HAMPSHIRE LEGISLATURE.—The House has refused to lay the Anti-Northern resolution on the table by a vote of 129 to 47. Four Democrats and one Whig abstained.

A motion to refer the resolution to a special committee is now under discussion, and has opened up the whole Nebraska and compromise question. The speeches thus have been earnest and temperate.
